

BENBROOK WATER AUTHORITY

## APPLICATION FOR WELL REGISTRATION

*This form may be submitted in person, by mail or e-mail, or online at [www.benbrookwater.com](http://www.benbrookwater.com)*

All water wells within the boundaries of the Benbrook Water Authority (the “Authority”), whether existing or new, and whether exempt or nonexempt, must be registered with the Authority and are required to comply with the Authority’s registration requirements, as provided in Section II. of the Authority’s Water Well Rules (the “Rules”).

**A separate application must be completed for each well.**

Application Date: \_\_\_\_\_

Check One:

- New Well (Drilled on or after April 26, 2022)
- Existing Well (Drilled or approved to be drilled by the Authority prior to April 26, 2022)

Check One:

- Exempt from permitting (under Rule 5.1 of the Authority Rules)
- Requires a permit

Check here if the application is for a replacement well:

*\*See the special requirements for replacement wells in Section VI. of this application.*

### I. REGISTRANT/WELL OWNER, PROPERTY OWNER, AND WELL DRILLER INFORMATION

**Registrant/Well Owner Information**      Type:  Entity    Individual

Company Name (if entity): \_\_\_\_\_

First Name: \_\_\_\_\_ Last Name: \_\_\_\_\_

Mailing Address: \_\_\_\_\_

*\*Please include street number, street name, city, state, and zip)*

Email: \_\_\_\_\_ Phone: \_\_\_\_\_

**Property Owner Information, if Different than Registrant or Well Owner**

Type: ( ) Entity ( ) Individual

Company Name (if entity): \_\_\_\_\_

First Name: \_\_\_\_\_ Last Name: \_\_\_\_\_

Mailing Address: \_\_\_\_\_

*\*Please include street number, street name, city, state, and zip)*

Email: \_\_\_\_\_ Phone: \_\_\_\_\_

Who owns or will own the well? \_\_\_\_\_

***\*If Registrant is other than the owner of the property where the well is located or proposed to be located, please attach documentation to this form establishing the authority to file the application for well registration, to serve as the registrant in lieu of the property owner, and to drill or operate a well for the proposed use, as applicable.***

**Driller Information**

First Name: \_\_\_\_\_ Last Name: \_\_\_\_\_

License Number: \_\_\_\_\_ License Type: \_\_\_\_\_ Expiration Date: \_\_\_\_\_

Company Name: \_\_\_\_\_

Mailing Address: \_\_\_\_\_

*\*Please include street number, street name, city, state, and zip)*

Email: \_\_\_\_\_

Phone: \_\_\_\_\_ Fax: \_\_\_\_\_

## II. PURPOSE FOR WATER USE

Mark (x) all appropriate boxes that describe what the well will be used for and indicate the amount of water to be used for each purpose checked:

- |                                                                                                                                         |                                                                                                                    |
|-----------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------|
| <input type="checkbox"/> Domestic Use (Household/lawn watering at residence)                                                            | <input type="checkbox"/> Public Water System                                                                       |
| <input type="checkbox"/> Livestock or Poultry Watering                                                                                  | <input type="checkbox"/> Industrial/Manufacturing                                                                  |
| <input type="checkbox"/> Commercial/Small Business/Golf Course<br>Commercial Irrigation                                                 | <input type="checkbox"/> Leachate ,Monitoring,<br>Observation                                                      |
| <input type="checkbox"/> Agriculture/Ag Irrigation                                                                                      | <input type="checkbox"/> Supplying water for oil and<br>gas rig activities or<br>production, including<br>fracking |
| <input type="checkbox"/> Filling a pond or other surface impoundment<br>(Check all uses for water from the pond or surface impoundment) |                                                                                                                    |
| <input type="checkbox"/> Other: _____                                                                                                   |                                                                                                                    |

Describe use: \_\_\_\_\_

***\*If you plan to change the type of use of the groundwater indicated in this application or substantially alter the well in a manner that still does not require an Operating Permit, the well must be re-registered.***

Is the water used at a different location than well?  Yes  No

If yes, please list the different location address: \_\_\_\_\_

## III. WELL LOCATION

Well Location Address: \_\_\_\_\_

*\*Please include street number, street name, city, state, and zip)*

Legal Description (if applicable): \_\_\_\_\_

Latitude: \_\_\_\_\_

Longitude: \_\_\_\_\_

GPS manufacturer and model used to record latitude and longitude: \_\_\_\_\_

Surface elevation of well at land surface (in MSL)\*: \_\_\_\_\_

Total number of acres of the property on which well site is located or is proposed to be located: \_\_\_\_\_

***\*Must be at least two (2) acres unless the well was drilled prior to April 26, 2022, and not substantially altered after that date. If no public water is available to the property, the Registrant is eligible to file an Application for an Exception to Minimum Tract Size Requirements under Authority Rule 9.2.***

If the well is part of a system, identify all other wells in that system: \_\_\_\_\_

\_\_\_\_\_

Spacing Distance to All Property Lines (ft)\*: \_\_\_\_\_

Spacing Distance to Other Wells (ft)\*: \_\_\_\_\_

***\* Must comply with current spacing requirements unless the well was drilled between March 15, 2006, and April 26, 2022, and not substantially altered after that date, in which case the well must comply with the well spacing requirements in effect on the date of drilling. If no public water is available to the property, the Registrant is eligible to file an Application for an Exception to Spacing Requirements under Authority Rule 9.1.***

#### IV. WELL INFORMATION

Name of aquifer and layer of the aquifer from which water will be produced by the well:

\_\_\_\_\_

Proposed total depth (ft): \_\_\_\_\_

Propose depth to first screen (ft): \_\_\_\_\_

Proposed inside diameter of casing (inches): \_\_\_\_\_

Pump motor size (hp): \_\_\_\_\_

Proposed maximum capacity of well as equipped (gpm): \_\_\_\_\_

**V. PUMP INSTALLER INFORMATION**

Is the Driller also the Pump Installer?       Yes       No

If the Driller is not installing the pump, please provide Pump Installer's information below:

Company Name: \_\_\_\_\_

First Name: \_\_\_\_\_ Last Name: \_\_\_\_\_

License Number: \_\_\_\_\_ License Type: \_\_\_\_\_

Expiration Date: \_\_\_\_\_

Email: \_\_\_\_\_ Phone: \_\_\_\_\_

Fax: \_\_\_\_\_

**VI. REPLACEMENT WELLS**

**This section applies only to Registrants seeking to replace an existing well. Skip to Section VII. if not applicable.**

A replacement well must be drilled within a reasonable distance of the existing well being replaced, in the sole discretion of the Authority's general manager, and if it meets the following requirements:

- (1) the replacement well will be completed and screened at an equal or greater depth than the well being replaced;
- (2) the capacity of the replacement well as equipped will not exceed the maximum authorized production capacity for the well that is being replaced; and
- (3) immediately upon commencing operation of the replacement well, the well owner will cease all production from the well being replaced and will begin efforts to plug the well being replaced in compliance with Authority Rule 3.3(c).

**VII. ATTACHMENTS**

Do you wish to submit this well registration along with an application for an Operating Permit?

Yes       No

*\*If yes, please attach an Operating Permit application provided by the Authority.*

***\*An Operating Permit is required unless the well is exempt from permitting under Authority Rule 5.1.***

**VIII. CERTIFICATION**

**I hereby certify that the information provided herein and given herewith is true and accurate to the best of my knowledge and belief. I further certify that all water produced from the well that is the subject of this registration will at all times be put to beneficial use.**
